CHEMICAL EXPORT
Partner

About Us

Established as an entity, Atoll Exim Private Limited stands as a leading global chemical distributor specializing in a wide range of products including APIs, Intermediates, Industrial Chemicals, Cosmetic Raw Materials, Dyes, Strong Acids, Solvents, and Excipients. Our management, headquartered in Ahmedabad, India, with a strategic network of global partners, sourcing experts, and R&D team, Atoll Exim delivers customized solutions to clients globally.

Atoll Exim Private Limited is a fast-growing conglomerate committed to excellence in every dimension. We have earned prestigious international certifications including ISO 9001:2015 for Quality Management and ISO 14001:2015 for Environmental Management, reflecting our unwavering dedication to quality and environmental stewardship. As a manufacturer and exporter of Acrylic based specialty polymers for Pharmaceuticals, Cosmetics, and Personal Care Industry in India, today Atoll is a multi-product group with proven capabilities in design, development, manufacturing and servicing various Polymers and related products for all the above-mentioned industries.

Atoll Exim is committed to maintaining the highest standards of quality, safety, and transparency across our supply chain. Backed by deep industry knowledge, strong vendor relationships, and a customer-first mindset, we aim to be more than a supplier, we are your trusted global partner in chemical sourcing.

Our Vision & Mission

Our vision is to become the preferred partner in the chemical industry by offering a comprehensive range of products—including strong acids, Basic and inorganic chemicals, solvents, APIs, dyes, intermediates, excipients, and food colors—all under one roof. We strive to provide exceptional quality cost-efficient, and sustainable chemical solutions while upholding the highest industry standards. We are dedicated to fostering a dynamic workplace where continuous learning, growth opportunities, and collaboration empower our people to thrive and innovate. Till date we have worked with 27+ countries and aim to work with almost every country worldwide. With a forward-thinking approach, we aim to diversify our portfolio, expanding our products and services to cater to regional and international market demands, driving excellence at every level.

Our Core Values

ACCOUNTABILITY

We are wise and experienced but take responsibility for any errors or changes required in our process. Through continuous improvement and accountability we are constantly striving to advance each day.

CUSTOMER CENTRICITY

Our foundation is built on an unwavering commitment to our customers. We go beyond expectations by delivering tailored solutions, fostering innovation, and providing exceptional service.

ENVIRONMENT & SOCIETY

We are deeply committed to environmental stewardship and the well-being of our communities. By embedding sustainability and meaningful social impact into every aspect of our operations, we strive to create long-term value for both society and the planet.

INTEGRITY

Integrity is the guiding principle in every aspect of our company's operations, upholding the highest standards of ethics, transparency, and environmental responsibility.

QUALITY

Quality is our hallmark, driving precision and consistency across every operation. Through exacting processes and uncompromising standards, we deliver solutions that surpass expectations and earn lasting trust.

TEAMWORK

Collaboration is at the heart of our culture—uniting teams internally and building strong, solution-focused partnerships with our customers. Every relationship is shaped as a shared journey, driven by mutual success and collective goals.

Our Chairman & CEO

"The true strength of an organization is not measured in markets or margins, but in the unwavering dedication of the people who stand behind it.

At Atoll Exim, I am proud to lead a team whose commitment, resilience and shared vision transform challenges into achievements and goals into milestones."

—OUR PRODUCTS”—

Strong Acids

• Hydrochloric Acid	33% or 35%
• Sulphuric Acid	98%
• Nitric Acid	61%, 68%, 72%
• Glacial Acetic Acid	99.9% (Technical or Food)
• Phosphoric Acid	85% (Technical or Food)
• Formic Acid	85%

Basic Chemicals

Soap, Detergent And Laundry

- Soda Ash (Light or Dense)
- Caustic Soda (Flakes/Pearls/Lye - 32% or 48%)
- Liquid Ammonia
- Sodium Silicate (Glass/Liquid)
- Sodium Meta Silicate
- Sodium Alumina Silicate
- Hydrogen Peroxide (35% or 50% & 60%)
- Cocamido Propyl Betaine (CAPB)
- Coco-Diethanolamide (CDEA)
- Sodium Lauryl Ether Sulphate (SLES)
- Sodium Lauryl Sulphate (SLS)
- Sodium Monochloro Acetate (SMCA)
- Monochloro Acetic Acid (MCA)
- Trichloro Acetic Acid (TCA)
- Linear Alkyl Benzene Sulfonic Acid (LABSA)
- Triethanolamine
- Sulphamic Acid
- Guanidine Carbonate

Cosmetic & Personal Care

Pharmaceutical

- ATOPOL® Carbomer (Acrylic Co-polymer)
- ATOSOL® HCO (Hydrogenated Castor Oil)
- ATOCOAT® Coats (Methacrylic Co-polymer)
- Glycerin
- Glycolic Acid
- Octyl Methoxy Cinnamate (OMC)
- Polyethylene Glycol (All Range)
- Sodium Ascorbyl
- Triclosan
- Xanthan Gum (Food or Pharma)
- Butylated Hydroxyanisole (BHA)
- Butylated Hydroxytoluene (BHT)
- Sodium Gluconate
- Polysorbate 20/60/80

Other Excipients

- Calcium Carbonate (Heavy/Light/PPT/Oyster)
- Di Calcium Phosphate (Food/Pharma/Feed)
- Maize Starch (Technical/Food/ Pharma)
- Methyl Paraben
- Magnesium Stearate
- Titanium Dioxide
- Sodium Carbonate
- Sodium Bicarbonate
- Acid Thickener
- Thinner
- Citric Acid
- Boric Acid
- Benzoic Acid
- Purified Talc

Water Treatment Chemicals

- Ferric Chloride (Liquid/Powder)
- Aluminium Sulphate (Ferric/Non-Ferric)
- Ferric Chloride Anhydrous
- Ferric Chloride Hexahydrate
- Calcium Hypochlorite (Sodium Base) - 65%
- Poly Aluminium Chloride (Liquid/Powder)
- Sodium Chlorite
- Sodium Chlorate
- Liquid Chlorine
- Polyelectrolytes
- Sodium Hypochlorite

Inorganic Chemicals

- Calcium Chloride (Powder/Prill/Lumps)
- Potassium Hydroxide
- Ferrous Sulphate
- Magnesium Sulphate
- Potassium Chloride
- Tri Sodium Phosphate
- Ferric Chloride
- Sodium Aluminium Sulphate
- Sodium Chloride
- Magnesium Nitrate
- Copper Sulphate Pentahydrate
- Potassium Sulphate
- Magnesium Chloride
- Potassium Nitrate
- Zinc Oxide
- Sodium Sulphate Anhydrous
- Ammonium Chloride
- Sodium Nitrate
- Calcium Oxide
- Barium Carbonate
- Zinc Chloride
- Sodium Nitrite
- Nickel Oxide
- Sodium Metabisulphite
- Ammonium Sulphate
- Sodium Tripolyphosphate
- Sodium Hydroxide
- Sodium Sulfide Flakes
- Zinc Sulphate
- Sodium Bi Sulphite
- Ammonium Bicarbonate

Solvents

- Acetone
- Butyl Acetate
- Butanol
- Dichloromethane (DCM)
- Ethanol
- Ethyl Acetate
- Hexane
- Isopropanol (IPA)
- Methanol
- Methyl Ethyl Ketone (MEK)
- Methyl Isobutyl Ketone (MIBK)
- Toluene
- Xylene

Active Pharmaceutical Ingredients

- Rosuvastatin
- Atorvastatin
- Methylcobalamin
- Bupropion
- Solifenacin Succinate
- Pregabalin
- Clotrimazole
- Etoricoxib
- Benedipine Hydrochloride
- Vildagliptin
- Tacrolimus Monohydrate
- Clopidogrel
- Sitagliptin
- Clonazepam
- Dexamethasone Sodium Phosphate
- Diclofenac Sodium
- Deflazacort
- Escitalopram
- Benzbromarone
- Fluconazole
- Nebivolol Hydrochloride
- Furosemide
- Pravastatin Sodium
- Telmisartan
- Mupirocin
- Mefenamic Acid
- Mycophenolate Mofetil and Sodium
- Metoprolol Tartrate
- Everolimus
- Metformin Hcl
- Sirolimus
- Cilostazol
- Betamethasone
- Donepezil
- Olmesartan Medoxomil
- Sumatriptan Succinate
- Telmisartan
- Iron Sucrose
- Cyclosporine
- Febantel
- Tadalafil
- Labetalol Hcl
- Vardenafil
- Lisinopril
- Trihexyphenidyl Hcl
- Granisetron
- Ivermectin
- Etoricoxib Api
- Lamotrigine
- Tizanidine
- Tretinoin
- Luliconazol
- Procyclidine
- Tamsulosin
- Itraconazole
- Thiocolchicoside
- Paracetamol
- Clinidipine
- Aceclofenac
- Bosentan
- Levocetirizine Di Hcl
- Silodosin
- Artemether
- Torsemide
- Amoxicillin
- Dapoxetine
- Artesunate
- Levetiracetam
- Amlodipine Besylate
- Allopurinol

Our Certifications

Our facility's adherence to international quality standards—specifically ISO, GMP, HACCP, FSSAI, Drug & Cosmetic demonstrates a strong commitment to product safety, efficacy, and regulatory compliance.

ISO 14001:2015

Demonstrating our commitment to responsible environmental management and sustainable manufacturing practices.

ISO 9001:2015

Ensuring consistent quality management, customer satisfaction and continual improvement across all our processes and operations.

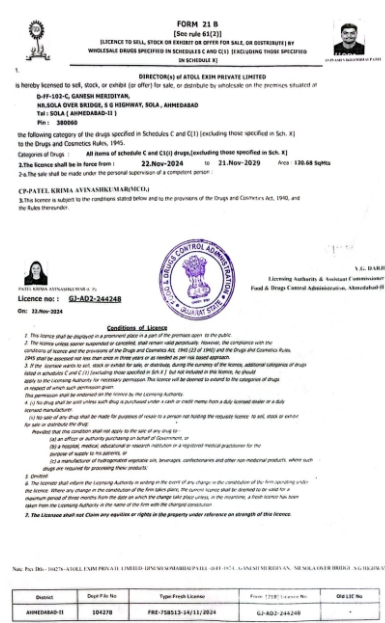

IEC Certification

Authorizing our capability to trade globally, ensuring full compliance with international import-export regulations and standards.

Drug & Cosmetic Certification

Adhering to India's regulatory framework for health and personal care products, ensuring safety, efficacy, and full legal compliance.

ISO 22000:2018

Upholding the highest international standards for food safety management, from raw material sourcing to final product delivery.

GMP (Good Manufacturing Practice)

Ensuring every product is manufactured under controlled, hygienic and validated conditions for consistent quality and safety.

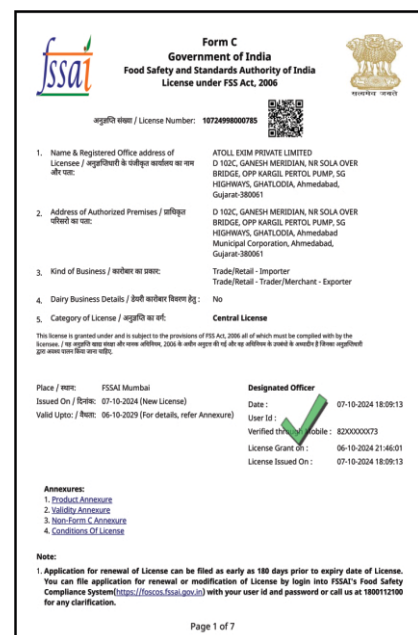

HACCP

Identifying and controlling biological, chemical, and physical hazards at every critical stage of our production process.

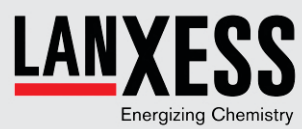

FSSAI

Complying with India's stringent food safety and quality regulations ensuring our products are safe, hygienic, and legally certified.
